From the Principal

Dear Viking F-A-M-I-L-Y (Students, Parents & Staffulty):

This is the first issue of our new and improved newsletter, “The Lesher Difference.” Thank you for a fantastic Grand Re-opening last week! Our 6th Grade Where Everybody Belongs (WEB) Transition Days went great on Monday and Tuesday thanks to our 8th grade WEB Leaders and staff sponsors counselor Ashley Broody and math teacher Becca Spear. It was so nice to see our students in person for the first time in over 7 months! Everything went very smooth. With approximately 350 of our 720+ students in the building twice per week through our A and B groups we appreciate everyone’s compliance with our safety protocols. Our goal is not just to get back in school, but to stay in school, and we need everyone’s participation to make that happen. Teamwork makes the dream work!

We will continue to evaluate our traffic flow at morning drop off and afternoon pick up. Last year PSD bussed about 450 students on 9 buses via 18 routes to Lesher. This year PSD is bussing about 75 on 5 buses via 5 routes. So, we have roughly 350+ more students walking, biking, or carpooling resulting in a bit of a traffic jam between 7:50 – 8am and 2:55 – 3:05pm. It generally clears up after 10 minutes, but it is an inconvenience and potential safety issue. Our designated parent drop off/pickup area is Ellis St. near the shed mural and shade structure because there is a long stretch of usable curb and sidewalk (if everyone pulls forward), it separates lots of vehicles from the pedestrian area on Stover St. and bike rack area on Lake St., and we have a crossing guard. The Stover St. and Lake St. bus lanes are reserved for buses unless an administrator is there waving cars in for morning drop off to lessen the congestion on Ellis St.

We will monitor this for another week or so and ask PSD to have all buses drop off and pick up at the Lake St. bus lane only to open up the Stover St. bus lane for parent pick up and drop off if it continues to be a problem after families get into their morning routine. Right now, we’ve got more kids getting out of a minivan than we do off a bus, and the buses are taking up a lot of real estate. Bus capacity is normally 60+, current guidelines allow for 20, but about 5 are riding them. To help improve the traffic flow please remember:

continued...
From the Principal, continued...

⇒ You can enter the Ellis St. parent drop off/pick up area from the north or south. You may exit via the LifePointe Church parking lot, then any neighborhood street. If entering from the north, please pull all the way forward and do not stop in the crosswalk.

⇒ Please do not make U-turns.

⇒ Please don’t block neighbors’ driveways, or double park and block bike lanes to drop off. If there is a stretch of available curb without parallel parked cars between the Lake St. bus lane and Lake/Ellis St. corner, you’re welcome to pull over and drop off there, or along the curb between the Lake/Ellis St. corner and the shed mural.

⇒ Preferably drop off on the Lesher side of the street so students don’t have to cross the road. If they do, please have them cross using a crosswalk.

We’ve made it into the second half of the fall semester and I’m proud of everyone for who has made it possible for us to have face-to-face instruction by keeping everyone safe and healthy. The collective efforts of our students, staff and families are inspiring.

Shine on,

T. DODD

Tom Dodd, PhD
Principal
Picture days are October 28th and 29th.

Pictures are used for the yearbook, school IDs and can be purchased from Skillman Photography for keepsakes. To purchase photos fill out the attached paper form or go online to Skillman’s website: www.skillmanphotography.com.

Lesher Student Planners help students stay organized and on top of their classroom assignments. We ask all students to write the Topic, Assignment, and Due Date (TAD) for every class, every day. When students are at school for in-person learning, we draw a name every Friday for each grade level during afternoon student announcements and the student drawn have 30 seconds to get to the front office with their filled out planner. If the have it complete for that week, they get $10! If not, the money rolls into the next week and can keep growing up to a maximum prize of $50. For online learning time. We are going to do something similar, but instead of cash, we are going to deliver Lesher gear, Pop Sockets, etc. So, students fill out your planner with the TAD every class, every day and you could win Lesher gear and other prizes! Each Thursday, staff will announce 2 names per grade-level and each student needs to hold up their filled out planner during their online class. The current week should be filled out with the Topic/ Assignment/ Due Date for every class, every day and the classroom teacher will verify the winner at that moment. IF you win, please plan on being home between 2-4PM on Friday for the delivery of prizes or let your teacher know if you won’t be home. Thanks and Go Vikings!
MathCounts is a national middle school mathematics competition that builds problem solving skills and fosters achievement through four levels of fun, in-person "bee" style contests. In response to COVID-19 this year, there will be more contests and they will be held online.

MathCounts is a great club for students who love math and problem solving and who want to challenge themselves in math.

MathCounts will meet online this year on Fridays at 9 am. To join MathCounts, please fill out the application form on Mrs. Johnson’s Teacher Learning Page. The form has a link to the MathCounts Google Classroom. We will meet on the MathCounts Google Classroom beginning on Friday, October 23 at 9 am.

Questions? Please contact Mrs. Johnson at lynnj@psdschools.org
**Student-Parent-Teacher Conferences Tuesday, 11/10 & Thursday, 11/12.**

3 – 7PM, 5-minute meetings at home on Microsoft Teams in 10-minute windows as no visitors allowed in building. Sign up through Teacher Learning pages beginning Monday, 11/2.

Parent-Teacher Conferences via Microsoft Teams or Google Meets

**Tuesday, November 10 and Thursday, November 12 from 3-7PM**

Go to our new Lesher website: [https://les.psdschools.org/](https://les.psdschools.org/).

1. Click on the Parent/StudentVUE link and login to view your child’s class schedule.
2. Click on the Teacher Learning Pages link, then each Grade Level and/or Department links and then each Teacher’s Learning Page ([https://les.psdschools.org/departments-and-teams](https://les.psdschools.org/departments-and-teams)) for each period in their schedule.
3. Click on “Parent-Teacher Conference Sign-up” for each teacher you would like to have a 5-minute conference.
4. On November 10 or November 12, from your child’s laptop, join each teacher with your child through Microsoft Teams or Google Meets.
5. Your child’s teachers will contact you at the time you signed-up. If you need additional time, please email the teacher directly to setup a meeting on another day.

**School Pictures, Wednesday, 10/28 (Group A) & Thursday, 10/29 (Group B), 8AM – 2PM.**

**Voluntary athletic camps and clinics,**

except wrestling and competitions against other schools may begin on Monday, 10/19. Coaches will communicate opportunities as they develop. Only students at school that day can participate, Group A Mon./Wed., Group B on Tue./Thu. Safety protocols will be in place. Click this link to our website to learn more: [https://les.psdschools.org/athletics-activities](https://les.psdschools.org/athletics-activities).

**Quarter 2, Phase 3 A/B Groups Weekly Routine** will follow a Blue/Blue/Gold/Gold weekly sequence Monday – Thursday as opposed to our phase 1/phase 4 Blue/Gold sequence. Monday Blue Group A, Tuesday Blue Group B, Wednesday Gold Group A, Thursday Gold Group B, Friday Blue/Gold asynchronously.

**Quarter 2, Phase 3 A/B Groups Instructional Model** for ½ of our students on campus and ½ of our students at home online honors the whole child with 6-7 courses per grade level and like quarter 1, phase 1 remote learning we does not include period 6 Extended Learning Opportunity (ELO) in favor of more time in periods 1 – 5. Fridays remain the same in quarter 2, phase 3 with asynchronous work assigned
via teacher learning pages and Google Classroom, teachers holding office hours, and small groups of students on campus as needed for extra help, clubs, activities, etc. During the 2 remote learning days per week in quarter 2, phase 3, A/B (Monday/Wednesday Group B, or Tuesday/Thursday Group A):

⇒ Students join their class’ Google Meets synchronously at the beginning of each class.
⇒ Teachers direct how much of the class period remote students remain synchronously learning with in-person peers. The amount of time will vary depending on the grade level, subject area, and daily lesson plan, i.e. in one class, students may check in for 5 – 10 minutes for attendance, learning target, and tasks to complete in Google Classroom and then be released to complete work asynchronously. Teachers answer questions the following day when students are in-person. In another class, students may remain on the Google Meets call after the check-in for 30 – 45 minutes of synchronous teacher-directed time as in-person class periods are now 88 minutes long.
⇒ Teachers will determine each class’ schedule daily and direct students as necessary. Students may be expected to check back in before the period ends.
⇒ Teachers will be mindful of total screen time and students’ mental health by providing brain breaks and small group/individual check-ins regularly as our quarter 1, phase 1, synchronous online time was 8:30am – 12pm, while our quarter 2, phase 3, A/B in-person time is 8am – 2:55pm with ½ of our students on campus and ½ at home.

Quarter 2, Phase 3 Daily Bell Schedule (Monday – Thursday: periods 1 – 5, Friday: asynchronous)

</table>
**NO PERIOD 6 ELO Qtr. 2 RATIONALE:**

- Keeps students’ total # of classes to 6-7 like phase 1 online for more focused time in those classes.
- 1 less class interaction/cohorts (period 6 ELO) with 1 less passing = less contact tracing/quarantining.
- 88-minute periods 1, 2-3 & 5 (up from 79-83), 99-minute period 4 (up from 82), 5-minute passing periods (up from 4), 37-minute lunches (up from 30) with 5-minutes passing = 3 42-minute lunches.
- Amended weekly Blue/Gold quarter 2 calendar to become Blue-Blue/Gold-Gold as follows:
  - Mon.-BLUE (Group A), Tue.-BLUE (Group B), Wed.-GOLD (Group A), Thu.-GOLD (Group B)
  - Fri.-Alternating BLUE/GOLD Asynchronous Learning/Small Groups
- Adding time to passing periods and lunch allows kids at home and at school to use the restroom, stretch, & socially interact as students at home potentially online 8am – 2:55pm 2/days per week.
- ELO offerings like Science Olympiad & Yearbook now online and digital requiring less in class work.
- As of 10/1/20 middle school athletics still “paused” until January so students may come on campus in small groups after 2:55pm or on Fridays for in person work without conflicting with athletics.
- In-person interventions as pull outs Mon.-Thu., in small groups during lunch, after 2:55pm, or Fridays.
- 15-minute advisory may be included in period 4 (99 minutes) to accommodate cleaning between lunches.

**Quarter 2, Phase 3 Blue/Blue/Gold/Gold Day Calendar** (Monday Blue A, Tuesday Blue B, Wednesday, Gold A, Thursday, Gold B, Friday, asynchronous).
Safety Protocols

3 W’s:
1) Wear your mask.  
2) Wash your hands.  
3) Watch your distance.

Every morning, before coming to school:
• Adults complete attached CDHE symptom check for your student(s). If ill, stay home.  
• Students and staff wear a mask that always covers your nose and mouth, except for social distanced mask breaks and while eating breakfast or lunch.  
• No hallway of gym lockers will be provided. Bring your backpack with only the supplies you need for that day.

Entering the building:
• Enter via right-side entrance doorways. Follow the rules of the road and keep right.  
• Utilize hand sanitizer at each entrance.  
• Walk on the right side of hallways. Follow floor arrows and stay 6 feet from others.  
• Report directly to your period 1 class, unless you need breakfast, which you may eat socially distanced in the cafeteria, or outside patio. Sack breakfasts available 7:45 – 8am daily. Students can pick up 1 for that morning and 1 for remote learning the next day.

Hallways:
• Walk on the right-hand side of the hallways along the blue flooring.  
• Follow arrows on the ground and maintain a 6 feet distance from others.  
• No congregating in the hallways. Just keep walking, walking, walking...  
• Fill your own water bottle at the filling stations, instead of drinking from the fountains.

Entering classrooms:
• Use available hand sanitizer.  
• Proceed to your assigned seat and stay in your assigned seat unless asked to move.  
• Face the front of the room.  
• Wear your mask all the time unless your teacher gives you a mask break outdoors.

Leaving classrooms:
• Teachers dismiss class, not the bell.  
• Use the available hand sanitizer in each classroom as needed.  
• Exit the room and walk to your next class along the right side of the hallway.  
• Do not congregate in the hallways; keep a healthy distance from others.

Restrooms:
• Student capacity in the restroom cannot exceed the number of sinks in the bathroom; honor the instructions on the sign on the restroom doors.  
• Maintain social distancing.  
• Wash your hands with soap for 20 seconds.

Cafeteria:
• Our 3 lunches are staggered by grade level for cleaning and to prevent long lunch and microwave lines.  
• Follow floor signage and maintain distance while in the cafeteria or outside.  
• Always wear a mask unless eating or 6 feet from others outside.  
• Eat in the cafeteria, on the patio, on the outdoor classroom rocks, or on the bleachers and benches. Clean up after yourself using our compost, recycling, and landfill station.  
• Eat with the same cohort/friend group in the same area as much as possible. If you eat at a cafeteria table, you must sign the sign-in sheet at that table.

Outdoor Expectations:
• The bin of sports equipment (balls, frisbees, etc.) will be sanitized between lunches.  
• Use the available hand sanitizer or wash your hands upon re-entering the building.

Leaving the Building:
• Follow floor arrows, walk on the right side of the hallways, stay 6 feet from others, and exit the building promptly via the right-side door at dismissal.

Health Office and Locker Rooms:
• Our health office is staffed all day by health technician Cathy Tucci to dispense medication and respond to health-related issues. Ill students will be isolated and supervised in our locker rooms as necessary until they can be picked up by a parent/guardian, as we will not be using locker rooms for PE class. School nurse Chard Smith is shared amongst 4 schools and is on site 1-2 days per week, or as needed.

Stay positive. Test negative. We can do this!
**Yearbook**

The Lesher yearbook, just like this school year, is Like Nothing Else! You don't want to miss this year’s edition! You can reserve your copy on SchoolPay, in the front office, or online at: jostensyearbooks.com

Also, students are doing a great job contributing to the yearbook. Remind your student if they get a Google Form in their inbox for Yearbook, to fill it out. We need all their contributions! Parents, if you have pictures of your student doing something awesome, send it to me (madavis@psdschools.org) Even better if they are showing their Lesher pride! Thanks!

**Attendance Line**

Please leave the following information when calling the attendance line

472-3815 and please speak clearly – Thanks!

- Student name and spelling of last name
- Student ID number
- Date or dates of absence and reason for absence
- Parent name and contact information

Please note that changes to absences cannot be back dated prior to 2 weeks of the current date. Unexcused tardies must be discussed with the student’s teacher and cannot be corrected via the attendance line.

**Athletic Participation Release**

Athletic Update (10/14/20):

Athletic camps, clinics and other opportunities, with the exception of wrestling contact and competitions with other schools, will begin October 19th! Keep your eye out for different camps and clinics that will be available and please sign and turn in an Athletic Participation Release Form attached

How Sick is Too Sick?
When Children and Staff Should Stay Home from School or Child Care

During Colorado’s response to the COVID-19 pandemic, children and staff who have been exposed to a positive case or who have symptoms consistent with COVID-19 listed below, must follow the Guidance for Cases and Outbreaks in Child Care and Schools. Testing for COVID-19 is strongly recommended for anyone with symptoms or a known exposure. When the guidance for COVID-19 instructs children and staff to follow their regular return to school illness policy, this guidance may be used to determine when children and staff may return to school or child care.

**MAJOR SYMPTOMS of COVID-19**
- Feeling feverish, having chills or temperature of 100.4°F or greater
- Loss of taste or smell
- New or worsening cough
- Shortness of breath or difficulty breathing

**MINOR SYMPTOMS of COVID-19**
- Sore throat
- Runny nose or congestion
- Muscle or body aches
- Headache
- Fatigue
- Nausea, vomiting
- Diarrhea

There are four main reasons to keep children and adults at home:
1. Someone who the child or staff lives with or has had close contact with who has been diagnosed with COVID-19 or has symptoms of COVID-19.
2. The child or staff member does not feel well enough to take part in usual activities. For example, a child is overly tired, fussy or will not stop crying.
3. A child needs more care than teachers and staff can give while still caring for the other children.
4. The symptom or illness is on this list, and staying home is required.

Remember, the best ways to stop the spread of infection is staying home when sick and good hand washing.

<table>

<tbody>
<tr>
<td>Coughing</td>
<td><strong>Yes</strong> - Is the cough new and unrelated to an existing chronic condition? If the cough is unexplained and inconsistent with the person's baseline, then follow the COVID-19 Guidance for Cases and Outbreaks in Child Care and Schools found at <a href="https://covid19.colorado.gov/cases-and-outbreaks-child-care-schools">https://covid19.colorado.gov/cases-and-outbreaks-child-care-schools</a>. When the guidance for COVID-19 instructs children and staff to follow their regular return to school illness policy, they may return to school or child care as long as the cough has been resolved for 24 hours unless the cough is caused by an illness that requires them to stay home longer. If the cough is explained by a specific illness other than COVID-19, then the child or staff can return to school or child care following exclusion guidelines for that illness.</td>

School of Attendance     Activity

This Supplemental Athletic Participation Permission and Release for Communicable Diseases Including COVID-19 made this ____ day of ____________, 202__, is given by the student named above (“Student”) and the Student’s parent(s)/legal guardian(s) named above (“Parent(s)”) in favor of the Poudre School District for the above activity (“activity”).

Poudre School District (“District”) has put in place preventative measures to reduce the spread of COVID-19 including the requirements and guidelines from the State of Colorado Governor’s Office, Colorado Department of Public Health and Environment (“CDPHE”), Larimer County Department of Health and Environment (“LCDHE”), and Colorado High School Activities Association (“CHSAA”). However, attending and participating in the above referenced activity could increase the Student’s risk of contracting COVID-19. The Student’s participation in and attendance at the activity is voluntary. Student agrees to follow the specific requirements, protocols and guidelines adopted by CHSAA, CDPHE and/or the District for the activity. Failure to follow these requirements, protocols and guidelines may result in school or team consequences that could include dismissal from the activity or further disciplinary consequences.

In consideration of the permission granted by the District for the Student to participate in the activity listed above, and in an effort to ensure the safety and wellness of our school community, the Student and the Student’s Parent(s) hereby covenant and agree as follows:

1. Participation may include possible exposure or increase the risk of exposure to COVID-19 and/or other communicable diseases. While particular rules and personal discipline may reduce this risk, the risk of serious illness and death does exist. Participation may also result in transmission of COVID-19 or other communicable diseases to non-participants.

2. Student and Parent(s) understand the importance of students being healthy and safe when they participate in the activity. Student and Parent(s) agree that Student will only participate in the activity when healthy. Student and Parent(s) willingly agree to comply with the terms and conditions for participation, including specific requirements, protocols and guidelines in place regarding COVID-19. Student and Parent(s) acknowledge these protocols and guidelines may change due to changes in guidance from CHSAA, CDPHE, LCDHE, or other public health officials. If changes to the protocols or guidelines are made, such changes will be communicated to Student and/or Parent(s).

3. Student and Parent(s) specifically agree to follow the health and safety protocols in place which include, but are not limited to:
   a. Answering daily COVID-19 specific screening questions, including:
      i. Have you tested positive for OCVID-19?
ii. Have you had any known exposure to a COVID-19 positive individual in the past 14 days?

iii. Have you been tested for COVID-19?

iv. Have you had any new onset cough or shortness of breath?

v. Have you experienced any recent fever with a temperature of 100.4 degrees Fahrenheit or higher?

b. Participating in daily physical screening, including a temperature check. If Student has a temperature of 100.4 degrees Fahrenheit or higher, Student will not be permitted to participate in the activity;

c. Agreeing to report to the appropriate official if Student receives a positive COVID-19 test; and

d. Wearing a cloth face covering when required.

4. Student and Parent(s) hereby release, indemnify and hold harmless the District and its board members, employees, authorized volunteers, and agents from any and all liability, claims, causes of action, damages and/or demands of any kind whatsoever (except willful and wanton acts or omissions) that Student and/or Parent(s) may have against the District, its board members, employees, authorized volunteers, and/or agents for any and all damages, including personal injury or illness to the Student, that may arise out of or in connection with Student’s participation in the activity. Student and Parent(s) understanding and appreciating the risks that may exist in allowing Student to participate in the activity, further knowingly and voluntarily assume all risks of injury, illness or other harm related to potential exposure to COVID-19 and/or other communicable diseases that may occur during Student(s) participation in the activity.

I/We, the undersigned Student and Parent(s) have read this Supplemental Athletic Participation Permission and Release for Communicable Diseases Including COVID-19 and understand all of the terms thereof, the nature of the activity to which they apply, and the risks and dangers that may exist in allowing the Student to participate in the activity, including possible exposure or increased risk of exposure to COVID-19 and/or other communicable diseases. We further understand and acknowledge this form is supplemental to and does not supersede the Athletic Participation Permission and Release form. We execute this document voluntarily and with full knowledge of the rights we are giving up and the obligations we are assuming, effective as of the date first above written.

Parent/Legal Guardian Signature Date

Student Signature Date

Parent/Legal Guardian Signature Date
Parents and guardians can use these symptom checklists to determine when to keep their child at home based on the level of COVID-19 transmission in their community (e.g. Is the community in Protect Your Neighbor or Safer at Home or Stay at Home). School staff can also use this tool to determine if they need to stay at home. Any student or staff diagnosed with COVID-19 or who is a close contact of a COVID-19 case should not go to school and should isolate or quarantine according to public health recommendations.

These lists refer only to new symptoms or a change in usual symptoms. A student/staff should not be kept home for usual symptoms they experience due to a chronic condition unless they are worse than usual. These guidelines are in addition to your regular school guidance (for example, a child with vomiting should also not attend school based on usual school guidance).

If your child is/you are experiencing any potentially life-threatening symptoms please call 911.

Low Community Transmission (Protect Your Neighbors): If any of the following symptoms are present, keep the child at home/stay at home, inform the school of symptoms, and reach out to a health care provider about COVID-19 testing and next steps for treatment.

- Feeling feverish, having chills, or temperature 100.4°F or higher.
- New or unexplained persistent cough.
- Shortness of breath.
- Difficulty breathing.
- Loss of taste or smell.

Sustained Community Transmission (Safer at Home or Stay at Home): If any of the following symptoms are present, keep the child at home/stay at home, inform the school of symptoms, and reach out to a health care provider about COVID-19 testing and next steps for treatment.

- Feeling feverish, having chills, or temperature 100.4°F or higher.
- New or unexplained persistent cough.
- Shortness of breath.
- Difficulty breathing.
- Loss of taste or smell.
- Fatigue.
- Muscle aches.
- Headache.
- Sore throat.
- Nausea or vomiting.
- Diarrhea.
- Runny nose or congestion.
This decision tool is NOT intended for cases or close contacts of COVID-19. A confirmed COVID-19 case or close contact should follow public health isolation or quarantine instructions for return to school/work. No test result can end an individual’s isolation or quarantine period early. *All students/staff with symptoms of COVID-19 should be tested as soon as possible.

Return to Learn: guidance following a positive COVID-19 Symptom Screen (R2)

For use in communities in Safer At Home: Level 1 or 2

*Start

Does individual have new loss of taste or smell of any duration?

- Yes
- No

Have symptoms resolved within 24 hours of symptom onset?

- Yes
- No

Did the person have Minor symptoms only AND symptoms resolved in 48 hours AND can person wear a mask safely?

- Yes
- No

Was PCR testing done?†

- Yes
- No/Pending

Test result

- Negative
- Positive

Can person wear wear a mask safely?

- Yes
- No

Follow regular Return to School illness policies if all symptoms have stayed resolved for 24 hours

Follow Home Isolation for 10 days following symptom onset AND 24 hours fever free without use of fever-reducing meds

Critical Symptom
- Loss of taste or smell

Major Symptoms
- Feeling feverish, having chills, temperature of 100.4°F or greater
- New or worsening cough
- Shortness of breath or difficulty breathing

Minor Symptoms
- Sore throat
- Runny nose or congestion
- Muscle or body aches
- Headache
- Fatigue
- Nausea, vomiting
- Diarrhea
