## ***From the Principal***

Dear Viking F-A-M-I-L-Y (Students, Parents & Staff):

By now you're all aware of the superintendent's announcement Friday, 11/13 for all PSD K-12 schools, except the charters to go back to phase 1 remote learning beginning Monday, 11/23 through the end of the semester Friday, 12/18. I suspect this decision came as a surprise to some of you like it did me considering Lesher has only had 4 positive cases with very mild symptoms (1 classified staff, 1 licensed staff, and 2 students) out of our 70 staff and 715 students since moving to phase 3 hybrid learning 5 weeks ago on Monday, 10/19. However, others may have been questioning why we returned to campus at all for the start of the quarter 2. What I can tell you is its been awesome for our students' social-emotional development and mental health to interact in-person the 9-10 days they have been on campus over the past 8 months. All learning happens in the context of relationships and those are more easily established when we are in the same room. Our families and staff did a GREAT JOB complying with our phase 3 safety protocols by keeping their children at home any time they had any symptoms of illness, letting our health office know when they did, wearing masks, washing hands, and staying at least 6-feet apart as the 6 foot rule is the question Larimer County asks when contact tracing and ordering 14-day quarantines. While I'm disappointed all buildings are closing and not just those with

significant outbreaks, as some schools may have not yet had a positive case, the cases showing up outside our schools in our community are increasing as is hospital utilization. I'm hopeful we will be allowed to have kids back on campus in January to show schools are not super spreaders, but super tracers, as PSD has had few if any instances of the virus being transmitted in a school. Thank you everyone for being vigilant and doing your part to stay positive and test negative, like participating in the [Keep NoCo Open](#) campaign!

### **PSD Middle School Sports Update**

Leshar's core values have always been about high performance AND high participation. Competitive middle school athletics and extra-curricular activities (clubs) are the other half of education so-to-speak, and a great way for Leshar staff to connect in healthy ways with our students. We know how much of a social-emotional motivator they can be to help our students do well academically in school. Sadly, PSD decided last August to pause middle school athletics until January 2021 and on Thursday, 11/12 to extend the postponement another 4 months until March and cancel all fall and maybe all winter athletics ([https://www.psdathletics.org/news\\_article/show/1132707#.X68A4blr3go.twitter](https://www.psdathletics.org/news_article/show/1132707#.X68A4blr3go.twitter)). The Leshar administration will continue to advocate for letting our kids choose to play the CHSAA-approved sports like the high schools, which this fall were all outdoor sports that would have never entered the building: golf, tennis, softball and cross country. We will see what January brings...

### **Remote Learning Days & Laptop Camera Reminder**

Students, during remote learning days at home please join your class' Google Meets synchronously AT THE BEGINNING OF EVERY CLASS and TURN YOUR CAMERA ON. Teachers will direct how much of the class period remote students remain synchronously on the call depending on the grade level, subject area, and daily lesson plan, i.e. students may check in for attendance, learning target, and tasks to complete in Google Classroom, they may be released to complete work asynchronously and need to check back in before the period ends, or they may remain on the Google Meets call for a full period of synchronous time with the teacher. It's been great having students in-person after not seeing them for nearly 8 months, even if for only 19 days.

### **School Picture Retakes/Make-up Days**

Friday, 12/4, 8 – 9am (6<sup>th</sup> grade), 9 – 10am (7<sup>th</sup> grade), 10 - 11am (8<sup>th</sup> grade), cafeteria. Please come during your grade level's assigned hourly time, as that will help us with social distancing. This is your last chance to get your picture taken so it will be in the yearbook. Please see attached forms.

### **10<sup>th</sup> Annual Lesher Adopt-a-Family Program in December**

This year, due to COVID, we are focusing on adopting 3 families from 1 of our feeder elementary schools. Each selected family completes a needs checklist, and we gather the items for these "adopted" families. The families who participate have been identified as low-income, or in crisis and our assistance is very helpful. The checklist includes food, grocery store gift certificates, personal care products, school supplies, household products, and new or like-new clothing. Items can be donated at Lesher

**The Leshер yearbook, just like this school year, is Like Nothing Else! You don't want to miss this year's edition! You can reserve your copy on SchoolPay, in the front office, or online at: [jostensyearbooks.com](http://jostensyearbooks.com)**

*Also, students are doing a great job contributing to the yearbook. Remind your student if they get a Google Form in their inbox for Yearbook, to fill it out. We need all their contributions! Parents, if you have pictures of your student doing something awesome, send it to me ([madavis@psdschools.org](mailto:madavis@psdschools.org)) Even better if they are showing their Leshер pride! Thanks!*

## **Morning Fresh Cash for Caps**

If you are a Morning Fresh Dairy customer, please bring in your rinsed milk, juice, cream, or other caps to Mr. Mayer. Leshер Middle School earns money for every cap that is returned. If you are interested in Morning Fresh Dairy, every new household sign up raises \$25 for Leshер. Click [here](#) or ask Mr. Mayer ([bmayer@psdschools.org](mailto:bmayer@psdschools.org)) for more information.

## **Water Bottles**

Very important! Please remind your child to bring a water bottle to school. Our drinking fountains are not currently accessible due to COVID 19 and students have the potential of having symptoms of dehydration. The health office does not wish to send students home for symptoms, such as fatigue or headache, that can be prevented. We want students in class hydrated and feeling good. Thanks!

**SAVE THE DATE!****PHS Promo Night****Wed, Dec. 2<sup>nd</sup> @ 6 pm**<https://phs.psdschools.org/>**Adopt A Family**

Hello Leshер Middle School Families,

Happy November and we are happy to share that Leshер Middle School is kicking off our **TENTH** annual Adopt-a-Family program! Last year was a great success thanks to our community's help. Check out the attached PowerPoint from 2 years ago to gain a glimpse of the positive impact this program has on everyone that participates! Each year we are able to help out about 20 families from Leshер's feeder elementary schools. This year, due to COVID, we are focusing on helping families from just one of our feeder schools and will be adopting 3 families. Each selected family completes a needs checklist and we will work together to gather the items for these "adopted" families. The families who participate have been identified as low-income or in crisis and our assistance is very important. The checklist includes food, grocery store gift certificates, personal care products, school supplies, household products, and new or like-new clothing. We will send out a completed needs checklist after Thanksgiving break (see attached for a blank needs checklist) and families can donate items at Leshер between 12/1-12/9. Our "adopted families will receive their gifts on Friday, 12/11. Leshер students and families are very enthusiastic about this program and we thank you for your help!

**Highlights from previous years** - Leshер's Adopt-a-Family school-wide community service project involves most of our 800 students and 70+ staff members to bless about 20 "adopted" families during the holiday season! Families that benefit are identified as low-income or in crisis and all are from Leshер's feeder elementary schools. Last year, each family received gift cards averaging \$150/family and on average about 10 boxes filled with food, personal care products, school supplies, household products, toys, and new or like-new clothing that averaged 100s of dollars per family. The total amount donated by the Leshер community averages about \$10,000 per year!

**We welcome assistance and donations from local businesses and organizations**
