

September 17, 2020

Dear Viking Students, Parents and Staff:

Thank you to all who participated in Lesher’s Car/Bike Parade and watched our Virtual Back-to-School Night WeVidoes Thursday.

Here’s this week’s THORSday Update...

NEW INFORMATION

✓ **Students, we will be competing VIRTUALLY in Science Olympiad this year!** In case you don’t know what Science Olympiad is, here’s an excerpt from their website:

“Science Olympiad functions much like a football or soccer team, requiring preparation, commitment, coaching and practice throughout the year. Science O competitions are like academic track meets, consisting of a series of 23 team events. Emphasis is placed on active, hands-on group participation. Through Science O, students, teachers, parents, principals and business leaders bond together and work toward a shared goal. Teamwork is a required skill in most scientific careers today, and Science O encourages group learning by designing events that forge alliances.” Visit <https://www.soinc.org/> for more information.

If you’re interested in being a part of the Lesher Science O team this year, please contact your grade level coach:

8th Grade: Sarah Freemyer - sfreemye@psdschools.org

7th Grade: Eric Peitz - epeitz@psdschools.org

6th Grade: Marnelle Leonard - mleonard@psdschools.org

- ✓ **Superintendent Smyser’s announcement Tuesday, 9/15** about PSD’s upcoming shift to [Phase 3: Hybrid In-School/Remote Learning](#) doesn’t change much for secondary schools like Lesher. We continue to target Monday, 10/19 the 1st day of the 2nd quarter to begin in-person learning. We hope to be allowed to bring 6th graders back on campus the week of Monday, 10/12 for our Where Everybody Belongs (WEB) orientation and small groups of students back for intervention/enrichment beginning Monday, 9/28 which is also the day PSD plans to tell us what phase we will be in next. [More info about PSD phases of education here.](#) [Missed the Sept. 15 announcement? Read it here>>](#).
- ✓ **With MAP testing in the afternoon this week and next week, we have asked our teachers to assign less asynchronous work for the afternoons. We also remind our teachers to be respectful of various religious holidays and observances when assigning work and setting due dates during the year.** For example, [Rosh Hashanah](#) starts Friday, 9/18 and marks the start of the high holidays for those in our Jewish community. We love the different ethnic, cultural, faith and religious backgrounds that make up our Lesher family and will always work to promote understanding, respect and inclusion.
- ✓ **Parents received an email on Thursday, 9/10 about Lesher’s remote MAPS testing schedule this week.** If possible, please have an adult available to support your child’s MAP’s testing from 1 - 3 PM on their assigned testing day below. Please help ensure your child’s computer is ready for testing prior to testing by going to <https://check.nwea.org/>. If you have computer issues, you can watch this [video](#) that will walk them through fixing those issues. If you are unable to fix the problem, please email librarian Mrs. Flippen at jflippen@psdschools.org, as soon as possible. If you have specific testing questions, please contact Lesher’s Assessment Coordinator, Ms. Martinez at 970-472-3854, janicem@psdschools.org. PREVIOUS INFORMATION

- ✓ Lesher students who signed up for the new year-long, 100% online Poudre School District Virtual School (PSDV) were initially co-enrolled with Lesher. However, PSDV grew to approximately 2,800 K-12 students, or 10% of PSD, beyond its projected 900. As a result, students are no longer co-enrolled and Lesher funds were reallocated to follow those students to PSDV, which is now the largest PSD school. So, on Friday, 9/4 PSD transferred \$119,000 from the **Lesher budget** to PSDV. This comes after Lesher made COVID-induced cuts in March and April amounting to approximately 8%, or 320K, through reduced classified, licensed, and administrative staffing. Lesher's enrollment was projected to be 818, we requested budgeting for 795, and have 713 as 88 left for PSDV and 29 to in-person options in PSD (charters) or out (private schools or neighboring districts), resulting in 8 less staff at Lesher for 82 less students. So, if you know any students who left Lesher for any reason and would like to transfer back please have them contact Dr. Dodd, tdodd@psdschools.org or 472-3810, prior to October 1. Despite these difficult cuts Lesher is positioned well in comparison to many schools due to thoughtful site-based budgeting to endure what will likely be an ongoing financial crisis the next couple of years.
- ✓ A few years ago, Lesher hosted a screening of the movie *Screenagers* for families in our Viking Performing Arts Center (VPAC). Click this link to read the 8/25/20 Tech. Talk Tuesday article ***Setting a Sleep Routine for Back to School***:
https://www.screenagersmovie.com/tech-talk-tuesdays/setting-a-sleep-routine-for-back-to-school?mc_cid=c189ebd775&mc_eid=9d8100f81f.
- ✓ **Students, please change your profile picture to a student picture for both Google Meets and Microsoft Teams.** It helps teachers learn your names and faces and maintain a climate and culture focused on learning.
- ✓ Please see the **attached annual Lesher IB grading letter**. Teachers provide formative and summative feedback and grade student work on **mastery in all 8 subject areas using IB rubrics on 4 IB objectives** with 0 – 8 levels of achievement and **work habits using the 5 IB Approaches to Learning Skills**: Self-management, Communication, Research, Social, Thinking using an alpha scale (N = Novice, L = Learner, P = Practitioner, E = Expert).
- ✓ The entry point to all teachers' virtual classrooms is the **Learning Pages** link on the Lesher website and the platform is **Google Classroom**. The expectation is our teachers **list their class titles similarly** in Google Classroom, and their **contact information in email signature lines** regardless of origination point (Outlook, Synergy, Google Classroom). Some families have children in multiple PSD schools and receive a high number of teacher emails, so they need to know which school/teacher the email is from and for which child.
- ✓ **Attendance is taken daily** via our Synergy Student Management System during synchronous class periods with automated **calls going home for unexcused absences**.

Parents can excuse absences via Secretary Karen Downing's attendance line (472-3815) or new this year via **ParentVUE**. Here are the instructions for parents/guardians to excuse a child's absence online through ParentVUE: 1) Log in to ParentVUE, 2) Focus to the student for which you are entering attendance, 3) Click on 'Report Absences', 4) Set attendance mark of 'A – Absent' or 'I – Illness', 5) Add a note, 6) Click Save. More information can be found here: [ParentVUE Attendance](#).

- ✓ **The expectation is that our students will be with teachers the full 45 minutes of synchronous class time Monday – Thursday.** They will not end classes/video calls early. We are striving for a much more structured and consistent synchronous class time with longer periods each day than what your child experienced the 4th quarter of last year with our STEAM and Humanities days.
- ✓ **Teachers are on duty 7:30am – 3:30pm, Monday through Friday.** Parents please call or email with questions or needs. See Lesher's website directory for contact info. <https://les.psdschools.org/directory>. If a teacher is absent during 1st quarter, phase 1 online instruction the class will be covered by an in-building teacher substitute, or he/she will assign asynchronous work. The PSD sub. calling system has been disabled for now. Please understand **school is not a 4-day week, it's 5.**
- ✓ Teachers may **record meetings using Google Meets or MS Teams** so absent students can get info. they missed, etc. During online remote learning, **1-on-1 communications may occur between students and teachers or other special service providers** like in-person on-campus learning. Phone calls or online tools such as Google Meets and MS Teams may be used for such communications for to support student learning. **Parents who want to opt out of 1-on-1 communications with staff please notify principal Tom Dodd at tdodd@psdschools.org or 472-3810.**
- ✓ **Teachers continue to discuss appropriate levels of cognitive demand and student workload for students grades 6 – 8.** With synchronous classes meeting 45 to 90 to 180 minutes per week depending on class frequency, i.e. 6th grade encore classes versus 6, 7, 8 math, asynchronous time may range from 0 to 90 minutes per week with a total of 2 – 4 hours per week per 6 to 7 classes depending on the grade. These numbers are just a general idea of how we are trying to quantify our collective delivery of content.
- ✓ **Clarification for 6th Grade Period 2 - 3 schedules:**
Mon. - Blue Day Period 2 - (9:20 – 10:05 AM) Tue. - Gold Day Period 2 - (9:20 – 10:05 AM)
Wed. - Blue Day Period 3 - (9:20 – 10:05 AM) Thu. - Gold Day Period 3 - (9:20 – 10:05 AM)
*Students in PE, Tech. or Web will have that class on both Blue OR Gold days depending on their individual schedule, OR
**Students in Dixon (PE), Moeller (PE), Oldenburg (Tech.) or Knips (Web.) will have that class on both Blue OR Gold days depending on their individual schedule.

- ✓ **All students, grades 6 – 8, should do the following everyday:**
 - 1) Go to our **new Lesher website:** <https://les.psdschools.org/> (We're still updating it.).
 - 2) Click on the **PSD Email link** and check your email.
 - 3) Click on the **StudentVUE link** and login to view your Synergy schedule.
 - 4) Click on the **Teacher Learning Pages link**, then click on each **Grade Level and/or Dept. links** and then click on each **Teacher's Learning Page** (<https://les.psdschools.org/teams-departments>) for each period in their schedule. Google Classroom codes and/or Google Meets or Microsoft Teams info. for you to join the class session will be emailed to students directly.
 - 5) Follow this **Home Bell Schedule** to begin each synchronous class on time:

- ✓ **Synchronous Learning** - Online learning with teachers and students at the **same time** through a virtual meeting, but not necessarily in the same location. Students spend about 50% of their course time in synchronous morning classes.
- Asynchronous Learning** - Online learning with students at different times and locations with posted assignments, media links, independent practice, homework, projects, activities, etc.
- ✓ **PSD Information Technology Support** during remote learning: 970-490-3339, covidtechhelp@psdschools.org. Lesher's **Building Tech. Coordinator/Media Specialist Jen Flippen** can also be reached at 970-472-3811, jflippen@psdschools.org. Students using personal laptops need to download the [Microsoft Teams Application](#), however PSD prefers students use PSD-provided laptops.
- ✓ PSD Child Nutrition is serving FREE sack lunches and breakfasts at 18 school sites and 61 bus sites. All "Meal Distribution Locations" are listed on the PSD web page. Click "School

Meals” and then “Meal Services During Remote Learning.” **Any Lesher student can pick up a FREE sack lunch for the day and a sack breakfast for the next morning in the staff parking lot off Ellis St. from 11am – 1pm, Mon. – Fri.** Look for the blue tent or school bus.

- ✓ **Join Lesher’s Virtual Running Club** at: <https://www.strava.com/clubs/leshervikings>! Even though we don't have a fall cross country season we can stay connected through recreational running. Any and every Viking is invited! Download the Strava app and create an account on your phone. Look for the “EXPLORE” tab at the top, CLUBS, and type in LESHER VIKINGS FALL 2020. JOIN OUR CLUB! Every time you go for a run, log it on Strava. Find your favorite trail, route, and run/walk and share! Jonette (Jo) Dixon, Head Track and Field/Asst. XC Coach, jonetted@psdschools.org. This is voluntary.

- ✓ Click this link <https://runsignup.com/Race/CO/FortCollins/FortCollinsYouthXCChallenge> to sign up for a **Virtual Middle School Cross Country Running series** organized by Green Events and Lisa Sinclair. Kids will receive a shirt for joining and can earn another shirt if they log 100 miles this season. There will be 4 virtual races and 1 final in-person race if kids elect to run the final race. This is not a part of PSD Athletics and is voluntary.

- ✓ **Tennis Opportunities.** These are not part of PSD Athletics and are voluntary.
