## ***Message from the Principal***

Dear Viking F-A-M-I-L-Y (Students, Parents & Staff):

Thank you everyone for your support and teamwork the past 9 weeks as we come back faster, perform higher, and get stronger together. I appreciate all the parents and guardians who attended Student-Led Conferences on Tuesday, 10/5 and Monday 10/11. With the end of the 1st quarter on Thursday, 10/14, our teachers will finalize grades in Synergy by Wednesday, 10/20, and we will upload 1st quarter report cards in ParentVUE and mail home hard copies on Wednesday, 10/27.

We have gotten back to the business of doing school in-person, and it's been awesome! Student-initiated and school-sponsored clubs are up and running, and athletics are back in play. Our boys and girls cross country teams both finished as District Runners Up, our 7th and 8th grade girls volleyball teams both finished in 3rd place, (105), boys tennis finished as District Runner Up while the girls were 4th, and 7th and 8th grade boys and girls football have a week left of their seasons. Our choir, band, and orchestra programs are also having their end-of-the-quarter concerts, which serve as their summative assessments.

## *Message from the Principal, continued...*

We continue to prioritize Larimer County Dept. of Health and Environment (LCDHE) protocols regarding mask wearing, contact tracing, quarantining, etc. Poudre School District has created a district Covid Response Team (CRT) that has processed many of our recent cases and they are getting more and more efficient. This new team allows the Lesher administration to focus on academic and social-emotional teaching and learning. Thank you, students, parents and staff as we work out the kinks transitioning some of this responsibility to the PSD CRT, and for supporting the mask mandate as we need your help and are constantly reminding students to wear their masks correctly. Lastly, Lesher will have a CO Dept. of Public Health and Environment (CDPHE) Mobile Bus Vaccine Clinic on campus during Vikings Night Out Friday, 10/22 from 2-6 pm in the east side staff parking lot off Ellis St. Registration link: <https://fortcollins-1022-mvu1.youcanbook.me>. PSD staff are not administering the vaccines or coordinating the appointments. PSD encourages staff and students, ages 12-17, to be vaccinated, but it is not a requirement. Appointments are available first-come, first-serve. After receiving the 1st dose, a 2nd-dose appointment will automatically be scheduled for 21 days later on Friday, 11/12 when the Mobile Bus Vaccine Clinic will be parked again at Lesher during the same time window. Flu shots will also be available at the clinic for free. To be vaccinated, individuals must be at least 12 years old, and a parent or guardian must be present to provide consent. Students 18 and older do not need parental consent. The mobile clinic will be open to all members of the greater community, as well as our school community. Because CDPHE's mobile clinic is parked outdoors, no one will need to enter Lesher to access it. The following are some vaccine resources:

Thanks for being part of our Lesher F-A-M-I-L-Y... Forget About Me I Love You!

## Fall Sports: Stories of Success

**Leshar's Cross Country Running Team takes 2<sup>nd</sup> place at District Championships to end a great season!**

We are incredibly proud of the team for all the hard work, support, and fun they brought to every day of the season. This is truly a special group and it showed at our final race of the season. Here are a few highlights from our District Championship race:

- Over 90% of the team ran a personal best at Districts!
- The boys team finished in 2<sup>nd</sup> place, 4 points behind Kinard, and were led by Oliver Singleton who finished in 4<sup>th</sup> place (out of 250 runners), Jake Kirby in 6<sup>th</sup> place, Ian Tiley in 7<sup>th</sup> place, and Max Abernathy in 11<sup>th</sup> place. All these boys ran 2 miles in under 12 minutes!
- The girls team also finished in 2<sup>nd</sup> place and were led by Gracyn Redmon who finished in 7<sup>th</sup> place overall (out of over 200 runners), Juliet Koenig in 8<sup>th</sup> place, Kendall Montross in 9<sup>th</sup> place, and Ayslee Stone in 10<sup>th</sup> place! All these girls ran the 2-mile race in under 13 minutes!
- Amazingly, Leshar had 7 boys and girls in the top 10! That is more than any other school in Fort Collins!

## Yearbook wants your photos!

Lesher Families,

The Yearbook Team is asking for your sports photos to add to our sports section and First Day of School Pictures for our "Back to School" feature.

Please consider sending us pictures of your student in athletic and First Day modes!

Here is a google form to upload the pictures showing your Viking pride. Thanks for all your support!

<https://forms.gle/kYR2rCbo6e2jHPxJ9>

## Picture Retake Day

If you missed our original School Picture Day in August, or just need a second shot at school pictures, please plan on getting ready for your close up on **Thursday, October 14, from 8 – 10:30 am** in the Media Center. Yearbook wants every student's school picture featured, so let's help make that happen!

## Vikings Night Out

The first STUCO VIKINGS NIGHT OUT (formerly called a school dance) of the year will be held on **Friday, October 22nd from 4 – 6pm**. Due to COVID protocols, this will be an ALL-OUTDOOR event. This is open to all students that have no out-of-school suspensions or multiple classroom behavioral incidents resulting in school consequences, and that do not have excessive tardies or absences. There will be a DJ with live music and dancing on our outdoor basketball court/patio, backyard games, food trucks and/or Kona Ice, and a professional obstacle course run by [TrainOC!](#) You must fill out a [waiver](#) to run through the obstacle course. Have fun and be safe!

We enjoy having parents chaperone these fun events. Yes, fun! We have a long history of fun, high energy, low to no drama school events where kids come and socialize with their **Lesher FAMILY – Forget About Me, I Love You!** It's also a good opportunity for parents to volunteer and see our school culture and your child's place in it. All grades are invited to the dance. Parents/Guardians, please click here to sign up to volunteer: <https://www.signupgenius.com/go/10C0F4BACA92CA4FB6-thefort3> and fill out PSD's required volunteer sign-up <https://www.psdschools.org/community/volunteers>. Please arrive ~15 minutes before the event so Mrs. Martinez can give an overview about rules and procedures. Thank you and Go Vikings!

## Expect Respect Committee

### BE A PART OF IMPROVING CULTURE AT LESHER:

For the last five years, Leshar Middle School has implemented a Bullying Prevention and Education program thanks to a grant from the CDE. As part of the grant requirements, a committee has been established to monitor the implementation of this program. A schoolwide curriculum called Expect Respect is being taught in ELO classrooms, and the committee has been named the Expect Respect Committee in accordance with these efforts. The committee is comprised of students from all grade levels, teachers, parents, an administrator, and community members.

Currently, the Expect Respect Committee is in need of a few more parent volunteers, and perhaps their student(s), to be a part of our efforts here at Leshar. The committee meets once a month (the last Monday of the month) for about an hour each time. Some of the committee's responsibilities include:

- Establishing yearly goals for the reduction of bullying incidents at Leshar
- Reviewing and modifying current bullying policies (if deemed necessary)
- Analyzing student, teacher, and parent survey results on the overall school climate at Leshar to guide the direction of anti-bullying and climate change efforts at Leshar
- Completing the annual self-assessment provided through the Bullying Prevention and Education Grant
- Brainstorming educational events for parents and the Leshar community about the curriculum and other pertinent topics
- Helping to discover blind spots and areas of improvement when we think about keeping our students safe

Please consider being a part of this important and valued group of people shaping the future for students at Leshar Middle School. If you are interested, please fill out this

## Breaking Out of Spanish - *¡que interesante!*

Sra. Thompson's Spanish 2 class participated in a Breakout box activity. A Breakout box is like an escape room, but in the reverse – instead of trying to get out of a room, students attempted to get into a box secured with 7 different types of combination locks. The students role-played as Spanish detectives and needed to collaborate and solve clues (written in Spanish) to save "kidnapped" Olympic athletes. The winning 8<sup>th</sup> grade group was able to successfully complete the mission in 54 minutes: rescuing the athletes and capturing the crime ring responsible.

## River Watch Club Is Up and Running (like water...)

If you are interested in being a part of a very real and important science project, River Watch is for you! If you like rivers, River Watch is for you! If you care about a healthy planet and want to be a part of the solution, River Watch is for you!

Leshar's River Watch club has started, and we would love to have you! Each month, we collect and test water from Spring Creek. Anyone can participate, we meet on the third Tuesday of each month during the 2021 – 2022 school year during ELO and after school until 4 pm. There is no cost to join, you don't need any prior knowledge of water testing, *and* it is okay if you missed the first meeting in September!

If you have any questions, click [here](#) or ask Ms. Spear ([rspear@psdschools.org](mailto:rspear@psdschools.org)) or Mr. Mayer ([bmayer@psdschools.org](mailto:bmayer@psdschools.org)) for more information

Thank you for working with us to keep our kiddos healthy and here for in-person learning!

## From the Café

Our Child Nutrition Crew is hard at work in the Café ensuring our students are served healthy breakfasts and lunches every school day. We thank them for their hard work- encourage your young Vikings to do the same when they pick up their meals! A few reminders and resources regarding school meals:

- Meals are free this year to all currently enrolled PSD students. However, if you believe your family may qualify for the Free and Reduced Meal Program, we encourage you to submit your application today by visiting <https://www.myschoolapps.com/Application>. Those who qualify for benefits are eligible for school fee/charge waivers, possible P-EBT payments, and their school will also receive additional student funding. Many community programs and businesses (City of Fort Collins Parks and Rec, Comcast, Fort Collins Soccer Club) also waive or reduce fees with proof of free or reduced meal eligibility. Families can also apply for the Federal Communications Commission (FCC) Emergency Broadband Benefit Program ([FCC BB information](#) | [FF BB Information – Spanish](#)) that provides a temporary discount on monthly broadband bills for qualifying households. A qualification is a household that is approved under the free and reduced school lunch or breakfast program.
- Currently, unprecedented food shortages are impacting PSD and school districts nationwide, so some menu items may not be available as planned. Our Café Crew works hard to ensure that students still have a variety of delicious dishes. Our students can't ever say there's "nothing to eat" here at Leshar... Encourage your student to explore the available options, or bring a meal from home, in order to stay fed, fueled and ready to succeed during the school day!

Flu shots will also be available at the clinics for free.

These CDPHE mobile clinics are open to members of the greater community, as well as our school community. Because CDPHE's mobile clinic is parked outdoors, no one will need to enter the school to access it.

If you have any questions about the vaccine, parental consent, or have problems registering, please refer to these [frequently asked questions](#).

To be clear, PSD staff are not administering the vaccines or coordinating the appointments. The district is communicating this opportunity. Information about vaccine clinics is posted on the COVID-19 Vaccines [web page](#).

## Clínicas móviles de vacunación en autobús

11 de octubre de 2021

Estimada comunidad del PSD:

El Departamento de Salud Pública y Medio Ambiente de Colorado (CDPHE, por sus siglas en inglés) está organizando las siguientes clínicas móviles de vacunación voluntaria en autobús:

- De 2 a 6 p.m., el martes 12 de octubre en Boltz Middle School, en el estacionamiento sur situado en 720 Boltz Drive, en Fort Collins.
  - Enlace para registrarse: <https://fortcollins-1012-mvu1.youcanbook.me>
- De 2:30 a 6 p.m., el viernes 22 de octubre en Leshar Middle School, en el estacionamiento situado en la parte este del edificio en 1400 Stover St., en Fort Collins. (Se entra al estacionamiento por la calle Ellis.)
  - Enlace para registrarse: <https://fortcollins-1022-mvu1.youcanbook.me>

Aunque no es un requisito, el Distrito Escolar Poudre (PSD, por sus siglas en inglés) anima al personal y los estudiantes de 12 a 17 años a que se vacunen.

Las citas están disponibles de acuerdo con el orden de llegada. Después de recibir la primera dosis, se programará automáticamente una cita para la segunda dosis, la cual tendrá lugar 21 días más tarde.

También la vacuna contra la influenza estará disponible durante estas clínicas de vacunación, y será gratuita.

Para recibir la vacuna, las personas deben tener por lo menos 12 años de edad, y uno de sus padres o su tutor legal tiene que estar presente para dar su consentimiento. Los estudiantes de 18 años en adelante no necesitan el consentimiento de sus padres. Dentro de las instalaciones del PSD es obligatorio que todas las personas usen tapabocas, sin importar su estatus de vacunación.

Estas clínicas móviles del CDPHE estarán disponibles para todos los miembros de la comunidad en general, así como para nuestra comunidad escolar. Debido a que la clínica móvil del CDPHE estará estacionada al aire libre, no habrá necesidad de entrar al edificio de la escuela.

Si tiene alguna pregunta sobre la vacuna, el consentimiento de los padres o tiene problemas para registrarse, consulte estas [preguntas frecuentes](#).

Queremos aclarar que el personal del PSD no está administrando las vacunas ni coordinando las citas; el Distrito está dando a conocer esta oportunidad de vacunación. La información sobre las clínicas de vacunación está publicada en [la página web de vacunas contra la COVID-19 \(COVID-19 Vaccines website\)](#).

A continuación se presentan algunos recursos informativos referentes a las vacunas:
