

Middle School to High School Transition Series 2019-2020

All 8th grade Lesher students will participate in a Transition Day event at their future high school on **February 14th from 9:30-11:30 am.** PSD will provide transportation to FCHS, PHS, RMHS and FRHS on this day. If a student will be attending another high school other than these four comprehensive schools, their parent/guardian must provide transportation. During the visit to the high school, all 8th grade students will take part in a pre-orientation session which includes an opportunity for students to walk the halls of their high school, meet with high school faculty and receive information and materials necessary for registration.
