"There are friends, there are family...

...and there are friends that become family."

"A friend is someone who helps you when life gets hard and gives you food at lunch."

- Braxton Hamblen, Grade 7

"A friend is someone who is there for your worst moments and is there for your laughs and smiles."

- Addie Archer, Grade 8

"A friend is someone that will have your back and not leave you when you need the most help."

- Lucien Petri, Grade 6
